

# GlitterBuddy Box with Lamp

You will just love our little GlitterBuddy....

Made of durable paper-board, it folds down to a compact box that contains all the items of the kit for convenient transport and storage.

When unfolded, the scary germy-face invites you to look through his mouth to see his devilish pals on your hands.

hiding on your hands.

Black light illumination is provided by the fabulous SpotShooter 8 which shows all the "GlitterBugs" that are

The lamp can easily be removed and used separately.
